

age under age gallery

Gasworks offers an exhibition space dedicated to exhibiting visual art by young artists. This may be a solo exhibition, an exhibition for a group of friends, an after school class or school project. It's a fantastic space to showcase your kids' work in a professional setting open to the public.

Proposals are accepted from artist aged 6-12years.

The Age under Age Gallery is suitable for 2 dimensional works only.

Your Exhibition

When will it run?

We usually run exhibitions for 2 – 3 weeks but this is negotiable. The gallery is open 7 days a week from 9am to 5pm. While we will work with you to secure the dates best for you we cannot promise this can be met.

How much does it cost?

<i>Gallery (p. w)</i>	<i>Power levy</i>	<i>Hanging assistance</i> (optional)	<i>Launch</i> (optional)
\$66 (inc GST)	\$22 (inc GST)	\$132.00	\$132.00

Who will hang the pictures?

We ask that you have the pictures on the first Monday of your exhibition. If you would rather we can provide assistance. The cost is a minimum of \$99.00 for 3 hours. In our experience this is ample.

Can I have a launch evening / afternoon?

Yes of course! We will provide staff to serve any refreshments you'd like to provide. This incurs a minimum charge of \$66.

How can Gasworks help me?

- Gasworks is more than happy to talk you through your exhibition and how best to hang it.
- We will advertise your exhibitions though our network and on our website. We can help you with further mail outs. We can advise of competitive printers if you wish to make up some flyers.
