2.4 Suspension System

Curtrax hanging system with acrylic hangers is provided on all 4 walls of the venue. Hangers may not be cut and are rated at 15 kgs per hanger.

2.5 Display Equipment

2 x Plinths 600mm (w) x 600mm (d) x 850mm (h)
1 x Plinth 400mm (w) x 400mm (d) x 850mm (h)
1 x Glass Display Cabinet (2 shelves) 600mm (w) x 600mm (d)

2.6 Testing & Tagging

All portable electrical equipment provided by the venue is tested and tagged according to AS/NZS3760 Australian Standard.

Any portable electrical equipment brought into the venue must be tested and tagged to this Australian Standard. Testing may be done by the venue staff at a cost to the hirer.

3.0 Sound Equipment

The ARB Gallery can be equipped with a basic audio system sufficient for speeches & launches. Use of this system requires a Gasworks Technician to be on-site.

The equipment is not permanently installed to enable its set up in any position in the venue.

4.0 Lighting Equipment

The ARB Gallery is equipped with track lighting all the way around the room.

5.0 Tools

An assortment of basic tools are available for use by hirers. Tools not returned at the end of the hire period will be charged back to the hirer.

6.0 Audio Visual Equipment

A small data projector (NEC VT-676GE – 2500 ansi lumens) is available for use in the gallery space. A DVD or VCR player can be provided on request.

There are 3 data points installed in the room – centre floor, north wall and west wall.

7.0 Height Access

Aluminum 'A' frame ladder (2.1m)

Signage must be placed on the outside of the Gallery door during exhibition installation work to prevent unauthorized access.
